

Lesson 4.2T ~ Comparing Integers

Name _____ Period _____ Date _____

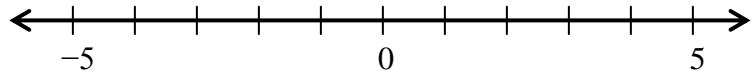

1. Graph 2 and 5 on the number line.

a. Which number is bigger (further to the right on the number line)? _____

b. Complete the statement using $<$ or $>$: $2 \bigcirc 5$

2. Graph -1 and -3 on the number line.

a. Which number is bigger (further to the right on the number line)? _____

b. Complete the statement using $<$ or $>$: $-1 \bigcirc -3$

Complete the statement using $<$ or $>$.

3. $3 \bigcirc -2$

4. $-7 \bigcirc -4$

5. $0 \bigcirc -2$

Order the integers from least to greatest.

6. 7, 1, 0, 5

7. 6, -1, -3, 4

8. -1, -8, -4, 0

9. -14, -5, -17, -2

Complete each statement using $<$, $>$ or $=$.

10. $|4| \bigcirc |1|$

11. $|-6| \bigcirc |8|$

12. $|-3| \bigcirc |-5|$
